Task 3. Read the article about Katy. For sentences 1-8 choose True or False.

Everyone else in Katy's class was excited when they heard about the end of year school party, but Katy was worried. Most of her clothes were really old and her family didn't have a lot of money, so Katy didn't want to ask her parents to find enough money to buy her a new dress.

But Katy was clever. First, she found a pencil and drew some ideas. She wanted her clothes to look fun and unusual. Then she fetched some old clothes that her parents never wore and took them into her room, found some scissors and began to cut here and there, here and there...

She worked hard until it was dark and she was very pleased with her work. In the morning, she put her new clothes on and went to show her family. 'You look wonderful!' her mother said. 'Is that my old scarf and long striped skirt?' 'Yes! Well, part of them!' Katy answered. 'And I think that's one of my old jackets?' her father said. 'Yes, but I changed it quite a lot!' Katy said. 'I loved the pockets, Dad.'

Katy wore her clothes to the party and a photographer from the newspaper took a picture of her. 'Did you really make that?' he said. 'Yes, I want to be a clothes designer in the future!' Katy said.
